STUDENT TRIP GUIDELINES

Student reporting time is Friday, April 19, 2019. Anyone leaving a car on campus must park in the parking lot nearest the Band Room. Make sure your car is locked. Upon arrival find the designated location for your bus number in the auditorium and report to that area with your luggage. Check in with your chaperones. **Students should wear practice shirt and shorts to be worn underneath the marching uniform.**

- Each student is responsible for carrying and loading their own luggage (carry-on bag and suitcase) throughout the duration of the trip.
- All Charlotte County Public Schools Rules & Policies governing student behavior will apply.
- Students are expected to follow the instructions from the band staff, chaperones, bus drivers, event staff, travel representatives, hotel staff.
- PDA – overt public display of affection is inappropriate and school policy will apply.
- Only the 4-6 roommates assigned to a room are permitted in that room and on that floor - under no circumstance should guys be in girl's rooms or floors or vice versa. There are numerous public areas at the hotel where you and your friends can get together and visit.
- Students may not leave the hotel at any time with visiting relatives.
- The hotel has video cameras throughout for your protection.
- Students must follow all scheduled evening curfew times.
- Damage to any hotel room or hotel property will be assessed to the parent.
- Students must always stay in groups of 4 or more when we are out and about.
- If a student becomes a discipline problem they will be sent home at their parent's expense.
- The Springhill Suites Orlando at Flamingo Crossings is a great facility - treat it with respect – there will be other guests in the hotel with us and I expect you to respect their privacy and watch noise levels – they paid a lot more than you did to stay at this hotel.
- You must be quiet, respectful and listen carefully to anyone that is giving you information or instructions on this trip.
- Be on time or early when given bus departure or meeting times throughout the itinerary.
- Fill out the room check form upon arrival and report any hotel concerns immediately.
- **Theme Park Visit: All groups must stay together and remain inside Disney's Hollywood Studios for the entire day. Groups will be required to complete a "photo check-in" once per hour via Remind**
